<u>BILL of LADING, GENERAL</u>	
<p>This Rules Tariff is an integral part of the Bill of Lading Contract and of all contractual relationships of the carrier. This Rules Tariff contains the Terms and Conditions specifically governing the Bill of Lading, Loss and Damage Claims, Overcharges, Undercharges and related matters. Refer exclusively to this Rules Tariff to determine the process and time limitations in effect. If there is a conflict between the carrier's Tariffs and Contracts and any governing publication, or any bill of lading or other shipping document prepared in connection with a shipment, the carrier's Tariffs and Contracts will control and govern the movement of goods.</p> <p>Unless otherwise agreed to in writing, Contract Terms and Conditions shall be those as indicated in the carrier's bill of lading as governed by the carrier's Rules Tariff and Contracts in effect on the date the shipment was tendered to the carrier. ONLY carrier personnel with titles of CEO, President or Vice President are authorized to agree to alternate contract terms and conditions and the use of an alternate bill of lading referencing such terms and conditions. NO other person(s) are authorized. Where a bill of lading other than the carrier's bill of lading, issued by the shipper, is signed for by the carrier's driver or other person(s), that signature ONLY acknowledges receipt of the freight and identifies the entity to deliver. It is NOT a contract for the carriage of freight. Continued use of an unauthorized bill of lading by the shipper will NOT constitute an implied acceptance by the carrier.</p> <p>All references made to Rates or "Rates on File" mean rates contained in the carrier's files. Such rates shall be available to shippers on request to the extent that they apply to the shipper.</p> <p>Any alteration, addition or erasure in the carrier's bill of lading which is made without the special notation thereon of the agent of the carrier issuing this bill of lading, shall be without effect, and the bill of lading shall be enforceable according to its original tenor.</p> <p>Please also see Section 2 of this Rules Tariff, "Bill of Lading Contract Terms and Conditions".</p>	360

Storage charges, based on the carrier's provisions in effect, shall start no sooner than the next business day following the attempted notification. Storage may be, at the carrier's option, in any location that provides reasonable protection against loss or damage. The carrier may place the shipment in public storage at the owner's expense and without liability to the carrier.</p> <p>(b) If the carrier does not receive disposition instructions within 48 hours of the time of the carrier's attempted first notification, the carrier will attempt to issue a second and final confirmed notification. Such note shall advise that if the carrier does not receive disposition instructions within 10 days of that notification, the carrier may offer the shipment for sale at a public auction and the carrier has the right to offer the shipment for sale. The amount of sale will be applied to the carrier's invoice for transportation and other lawful charges. The owner will be responsible for the balance of charges not covered by the sale of goods. If there is a balance remaining after all charges and expenses are paid, such balance will be paid to the owner of the property sold hereunder, upon claim and proof of ownership.</p> <p>(c) Where the carrier has attempted to follow the procedures set forth in subsections 4(a) and (b) above and the procedure provided in this section is not possible, nothing in this section shall be construed to abridge the right of the carrier at its option to sell the property under such circumstances and in such manner as may be authorized by law. When perishable goods can not be delivered and disposition is not given within a reasonable time, the carrier may dispose of property to the best advantage.</p> <p>(d) Where the carrier is directed by the consignee or shipper to unload or delivery property at a particular location where the shipper, consignee, or the agent of either, is not regularly located, the risk after unloading or delivery shall not be that of the carrier.</p>

<u>BILL of LADING CONTRACT TERMS and CONDITIONS:- Concluded</u>	
<p>Sec 5. (a) In all cases not prohibited by law, where a lower value than the actual value of the said property has been stated in writing by the shipper or has been agreed upon in writing as the released value of the property on which the rate is based, such lower value plus freight charges if paid shall be the maximum recoverable amount for loss or damage, whether or not such loss or damage occurs from negligence.</p> <p>(b) No carrier hereunder will carry or be liable in any way for any documents, coin, money, or for any articles of extraordinary value not specifically rated unless a special agreement to do so and a stipulated value of the articles are endorsed on the bill of lading.</p> <p>Sec. 6. Every party, whether principal or agent, who ships explosives or dangerous goods, without previous full written disclosure to the carrier of their nature, shall be liable for and indemnify the carrier against all loss or damage caused by such goods. Such goods may be warehoused at the owner's risk and expense or destroyed without compensation.</p> <p>Sec. 7. (a) The shipper or the consignee shall be liable for the freight and other lawful charges accruing on the shipment, as billed or corrected, except that collect shipments may move without recourse to the shipper when the shipper so stipulates by signature or endorsement in the space provided on the face of the bill of lading. If the description of articles or other information on the carrier's bill of lading is found to be incorrect or incomplete, the freight charges must be paid on the articles actually shipped.</p> <p>Sec. 8. If the carrier's bill of lading is issued on the order of the shipper or his agent, in exchange or in substitution for another bill of lading, the shipper's signature on the prior bill of lading or in connection with the prior bill of lading as to the statement of value or otherwise, or as to the election of common law or bill of lading liability shall be considered a part of the carrier's bill of lading as fully as if the same were written on or made in connection with the carrier's bill of lading.</p> <p>Sec. 9. If all or any part of said property is carried by water over any part of said route, such water carrier shall be performed subject to the terms and provisions and limitations of liability specified by the "Carriage of Goods by Sea Act" and any other pertinent laws applicable to water carriers.</p>
