

In 2004, EPA launched SmartWaySM — an innovative brand that represents environmentally cleaner, more fuel efficient transportation options.

SmartWaySM Transport is an innovative collaboration between EPA and the freight sector designed to improve energy efficiency, reduce greenhouse gas and air pollutant emissions, and improve energy security.

Companies that participate in SmartWay Transport programs save money reduce fuel consumption and are recognized for their social responsibility and leadership.

MTS Freight is proud to be a SmartWay Transport Partnership carrier, demonstrating not only our commitment to our customers, but our commitment to corporate social responsibility and leadership as well.
